PUBLIC WORKS EXPANDS RECYCLING PROGRAM

Effective immediately, the Town of Darien Department of Public Works recycling program has been expanded to include # 1 through # 7 plastic food and beverage containers. Formerly only # 1 through # 2 plastics were accepted. Residents are encouraged to take advantage of this expanded service which will reduce the solid waste stream, reduce disposal costs, and increase recycling revenues for the Town of Darien. Please direct any questions to the Town of Darien Department of Public Works at (203) 656-7346.
